

"Committed to improving the health and fitness levels of NH school children by increasing their physical activity levels and healthy food choices"

NH Healthy Schools Annual Conference and Trade Show!

Friday, January 29, 2010

3:00 – 6:00 PM New Hours!!!

Exeter High School, Exeter, New Hampshire

Please register early

Limited registration available at the door!!!!

- **NEW THIS YEAR!! YOUR VOTE WILL COUNT!!**
 - **Come to the SNA Regional Workshop at 2 pm (go to snanh.org for full details) see how your voice can change the NH Commodities program**
- **NH Commodities office and SNA of NH have agreed on this process**
 - Tour the tradeshow and sample each of the products under consideration for the NH Commodities program
 - Vote for your favorites
- **Review the Showcase of Healthy Foods**
 - Food Service Directors looking for new healthy products
 - Looking for products for school lunch, ala carte, vending, fundraising, concession stands
 - All non-commodity products will have met the NH Healthy Schools Nutrition guidelines
 - Attending schools will help select a product list that all can use to implement local healthy menu, ala carte, snack program, after school, fundraising and vending initiatives.
- School wellness teams of parents, students, teachers, school administrators, staff and students should attend to identify new products to help implement the nutrition guidelines of their new *local school wellness policies*

The nutritional content of all foods displayed, *excluding products for commodities diversion*, and sampled at the NH Healthy Schools Trade Show must be reviewed and meet NH Healthy Schools approved nutrition guidelines.

Note: John Stalker Institute of Food and Nutrition A-List foods are pre-approved.
